The preliminary estimates have been prepared by and are the responsibility of the Company's management. The Company's independent registered public accounting firm has not audited, reviewed or performed any procedures with respect to the preliminary estimates for the quarter ended March 31, 2021 and file the related Form 10-Q in a timely fashion. It is possible that the Company or its independent registered public accounting firm may estimates of sales, gross profit and net income set forth above and those changes could be material.
